

Bendix Core Shipment Entry Registration and Training Manual

How to enter a core shipment:

Go to www.bendixcorefreight.com

Click on ENTER A CORE SHIPMENT – step by step instructions below.

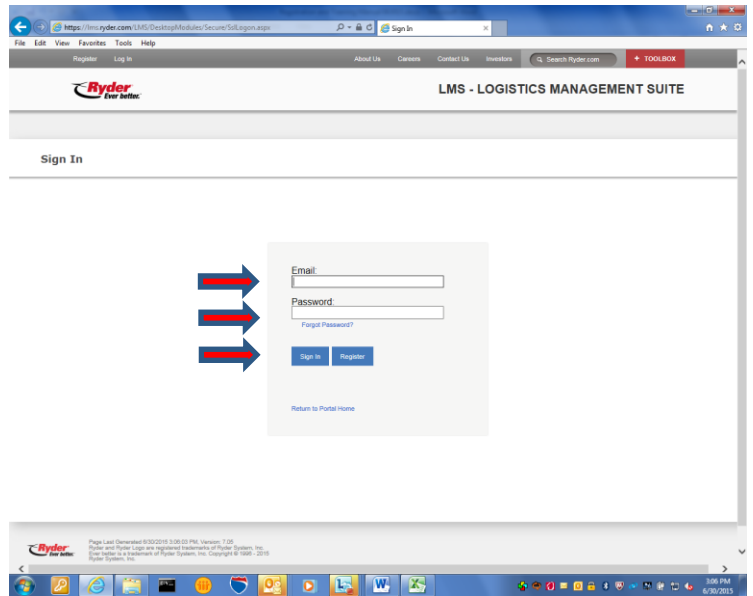

Canadian Core Customers ONLY – you must email or fax a copy of the BOL with a copy of the core return form so that customs documents can be prepared for your shipment. Failure to complete this step will result in a delay in the core return processing.

Email: CanadaCores@Bendix.com

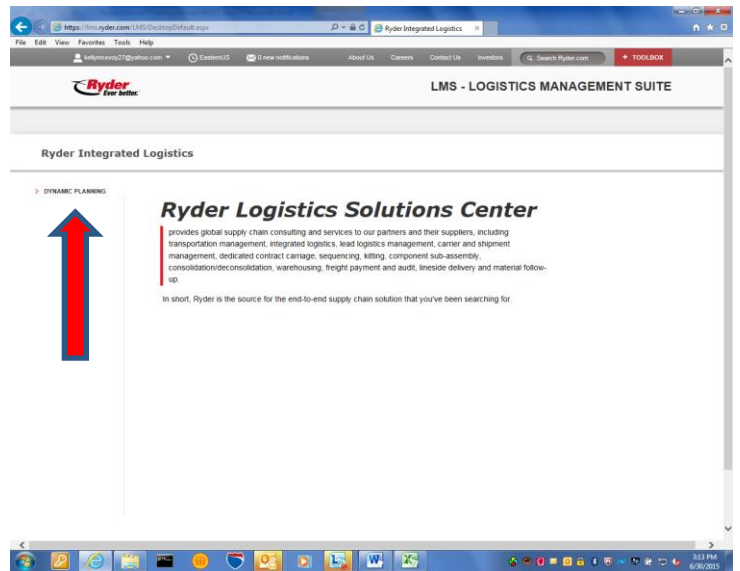

Fax: 440-284-6557

The screenshot shows the top navigation bar of the Bendix Core Center website. It includes a search bar, a navigation menu with links for ABOUT US, PRODUCTS, SERVICES & SUPPORT, MARKETING CENTER, MEDIA CENTER, SUPPLIER CENTER, and CONTACTS, and a large banner image of a Bendix truck. Below the banner, there is a sidebar menu on the left with links for Document Library, Part Number Search, Cross Reference Tool, Diagnostic Tools, Brake School, Cores, Product Action Center, Bendix Trademarks, and Warranty. The main content area features a heading 'Welcome to the Bendix Core Center' and a section titled 'Bendix Core Return Process:' with a red-bordered button labeled 'ENTER CORE SHIPMENT'. Below this button are links for 'Click here for the complete core freight process', 'How to request a login', and 'Core shipment registration instructions'. On the right side, there is a 'Core Grading' section with text asking for help identifying genuine Bendix cores and a link to 'Review our core grading'.

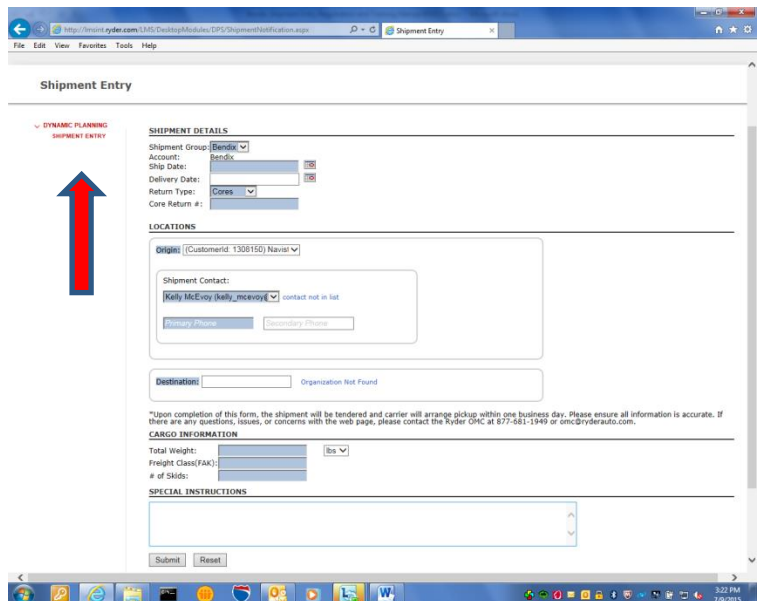

Populate your email address and password then click Sign In

Click Dynamic Planning

Click Shipment Entry

The blue fields in the below screen shot are

required in order to process your request. Shipment Group, Origin, and Shipment Contact (Name / Email) will auto-populate based on your log-in and **SHOULD NOT BE CHANGED**.

SHIPMENT ENTRY

When all fields are complete, click on submit.

After clicking submit, it will display a New Shipment Notification message at the top of the screen. This means the request has been received by Ryder and is being processed for routing and a completed Bendix BOL will be emailed.

Ryder will review and route the shipment. An email with a link to the BOL (Bill of Lading) will be sent from no-reply@ryder.com. Please add this email address to your address book so it doesn't go into your junk email or trash folder. The email you will get will look like this:

Log in and click Sign In the pop up box below will appear, click Open and a PDF with your BOL will appear

Do you want to open or save BillOfLading.pdf from lms.ryder.com?

Canadian Core Customers ONLY – you must email or fax a copy of the BOL with a copy of the core return form so that customs documents can be prepared for your shipment. Failure to complete this step will result in a delay in the core return processing.
